

# Rental home from the city of Raahе

## Welcome to active, idyllic Raahе, by the sea!

Moving to Raahе may well be one of best decisions you have made because it is easy to fall in love with our city. With no traffic jams and easily available services you will be surprised how much more spare time you will have, when distances will not take hours of your day even when travelling by bike.

The rate of the lease is very reasonable compared to bigger cities. Apartments and houses can be found even in short notice, furnished also. There are several offerers of rental homes and the home seekers are pampered with multiple alternatives from the Old Town attic apartments to modern buildings or the serenity of the countryside.

## The largest landlords in the area

The city owned real estate company [Kiinteistö Oy Kummatti](#) and [Raahen Seudun Asuntosäätiö](#) are the biggest landlords in the area. By taking good care of the properties and residents, they both have had top ratings in resident satisfactory for years. The most of the apartments are located within four-kilometer distance from the city center. In the Vihanti village 40 minutes from the city center, works also a third real estate company called [Kiinteistö Oy Vihannin kantti](#).
