

The City of Raahе

- where our citizens are the treasure we cherish

We call our city oddly attractive and invite You to visit us to experience it yourself!

There are many alternatives to choose from whether You are looking for the flat or house of your dreams, a place to crash while on a business trip, or the perfect daycare or school for your kids. Your needs, hopes and dreams are important to us, so let us take You on a tour to learn, what Raahе has to offer.

We would love to see you!

Please, contact us via phone or email in Finnish, English or Swedish, and via email also in Russian. Tell us what it is that You're interested in and we will take care of the rest. If the visit does not fit in Your calendar, we can guide You through the city with the means of modern technology.

WARNING!

There is a real danger to be mesmerized by the sea, the Old Town of Raahе and the easiness of living in a kid-friendly and safe city. Raahе is a true city of perfect size and therefore there is no rush, no hurrying and all the services within walking distance.
